CITIZENS COUNCILS  
INTERNAL SECURITY - X

Although reports have been submitted to the Department on all citizens councils concerning which we have conducted investigations and inquiries to date, the Department has indicated the activities of these organizations do not fall within the purview of Executive Order 10450. In view of this fact, there is no basis upon which to base justification for further inquiry. Therefore, you are instructed to immediately discontinue inquiries concerning all citizens councils upon receipt of this letter. It is your responsibility to also immediately notify auxiliary offices of the discontinuance of the investigation.

In order that the Bureau may continue to carry out its responsibilities of keeping interested Government agencies informed of information of interest to them, you must continue your efforts to keep abreast of developments in order that the Bureau may be apprised of any situation which indicates a potential for violence. In obtaining information, however, absolutely no inquiries are to be made by you. You must secure the desired information through close scrutiny of the public press plus whatever information may be volunteered to you.

Letter to SAC, Atlanta  
Re: CITIZENS COUNCILS

With respect to the use of confidential informants, I want it clearly understood that no informant is to be given any assignment in connection with obtaining information regarding the activities of citizens councils without prior Bureau authority. If you have a confidential informant already reporting on citizens councils matters you may continue to accept information volunteered by the informant but you must not give him any additional assignments in this field. If you feel it is necessary for some specific reason to continue an informant in a particular citizens council you must immediately advise the Bureau, together with the identity of the informant, his reliability and your assurance that continued operation of the informant will not result in any embarrassment to the Bureau.

Each office receiving copies of this letter must submit to the Bureau a monthly summary of information concerning the activities of citizens councils in your respective territories. The first such letter is to be submitted to reach the Bureau by January 15, 1957, and each succeeding letter must be submitted to reach the Bureau by the fifteenth of each month. This summary, which shall consist of an original and seven copies, must be submitted in memorandum form suitable for dissemination and forwarded to the Bureau by cover letter. These summary memoranda and your cover letter must bear the caption "Citizens Councils, (name of field office)". Each of these summary memoranda must also be dated.

As in the past, information received concerning citizens councils which requires expeditious handling must not be delayed for inclusion in the monthly summary but must be furnished to the Bureau promptly by whatever means of communication is required by the nature of the information.

Letter to SAC, Atlanta  
Re: CITIZENS COUNCILS

This matter must receive your personal attention and it is your responsibility, insofar as is possible, to see to it that the Bureau will continue to be in a position to furnish pertinent information concerning potential violence to interested Government agencies.

With respect to the administrative handling of current cases, you should submit a closing report within 30 days from the date of this letter. This report should incorporate any information which has been obtained to date not previously reported. If there is very little information to be reported, you may at your discretion submit a closing letter. On the administrative page of the closing report or in the closing letter make reference to this letter in order that the administrative handling at the Seat of Government may be facilitated.

The fact that we are discontinuing our inquiries concerning citizens councils is not to be discussed or made known in any manner to anyone outside your own office. This includes your confidential informants.

February 13, 1957

The Arkansas State Press, a weekly newspaper published at Little Rock, Arkansas, contained an article in its December 28, 1956, issue entitled "Citizens Council Names Officers". According to this article, an organization "whose mode of operation is similar to the Ku Klux Klan met last week and named officers under the guise of the Capital Citizens' Council". The article noted also that the "council's purpose and aim is to preserve segregation of the races in defiance of the United States Supreme Court, or, to sum it up in the vernacular of warped minds --- 'to keep the "nigger" in his place.'"

The article reported that ROBERT EWING BROWN, promotion and publicity director of station KTHV and KTHS, Little Rock, was elected president of the group, succeeding FINOS PHILLIPS, and also listed other officers and members of the board of directors.

Articles appearing in the January 5, 1957, issues of the Texarkana Daily News and the Texarkana Gazette reported that a fund for the defense of the Clinton, Tennessee, segregation leaders arrested for allegedly violating a Federal Judge's injunction in connection with school segregation in Clinton, Tennessee, was being started by the Texarkana Citizens Council. The articles noted that initial plans for a campaign to raise money for the "Clinton Freedom Fund" were made at a meeting of officers of the Texarkana Citizens Council held at the home of J.E. WILLIAMSON, president. The funds raised through this campaign are to be used for the defense of the sixteen persons arrested at Clinton, Tennessee, and to help alleviate their family economic problems. The articles noted, also, that the Texarkana Citizens Council had set up an educational fund and would seek donations for this fund to be used to keep the public informed on activities of the council. The articles reported that officers of the council attending the meeting to set up the "Clinton Freedom Fund" included J.E. WILLIAMSON, president; Reverend HAROLD JOHNSON, treasurer; JOHN ARNOLD, secretary; E.L. LURREL, corresponding secretary; and R.L. HIGGINSBOTHAM, chairman of the membership committee.

The January 4, 1957, issue of the Memphis, Tennessee, Commercial Appeal, daily newspaper, reported that on January 3, 1957, attorneys for the Crittenden County, Arkansas, Citizens Council filed a petition in Circuit Court, Marion, Arkansas, for a certificate of incorporation for the organization. The article noted that the Crittenden County Citizens Council was formed October 24, 1956, under the direction of EMMETT MILLER, local accountant, and that other officers are BOB MC CARTER, Marion, vice-president; PAUL COLEMAN, Marion, treasurer; and TOMMY SIMS, recording secretary. According to the article, the organization will be a nonprofit civic improvement group and aims of the membership are to maintain peace, good order and domestic tranquillity throughout the county.

On January 7, 1957, [redacted]  
[redacted] New York advised he has received material in the mail from one [redacted]  
[redacted] and the material received by him indicated that [redacted] was the leader of the White Citizens Council, Strong, Arkansas.

Confidential Informant T-1, who has furnished reliable information in the past, made available on January 10, 1957, a news-letter dated November, 1956, distributed by Capital Citizens Council, Post Office Box 1977, Little Rock, Arkansas. This letter announced a meeting of the Capital Citizens Council to be held November 20, 1956, at the Knights of Pythias Hall, Little Rock. The letter thanked the membership for their work in circulating petitions for Amendment Number 7 which was included on the ballot in the November, 1956, election and points to the passage of this amendment as a vote for segregation and a great victory for the Citizens Councils of Arkansas. The letter notes that Capital Citizens Council, associated with the associates of Citizens Councils of Arkansas, has just begun to take its rightful place in the affairs of Arkansas. This letter is signed by [redacted]

b6

T-1 also furnished a leaflet entitled "The Eight Ifs and Your Answer!" distributed by Capital Citizens Council which outlines the aims of the Citizens Council and urges all those who favor segregation of the races to join the Capital Citizens Council of Little Rock. This leaflet also contains a membership pledge of the Capital Citizens Council, which is set forth as follows:

"I believe that the white race should be kept white.

"I believe that the white and colored races should live in peace and harmony but should not be mixed or integrated in schools, churches, matrimony, or social activities.

"I swear that I will do what I honorably can to uphold these beliefs, which are the beliefs of the Capital Citizens' Council.

"I swear that these are my honest and true beliefs and that I will be loyal to them and to Capital Citizens' Council in all honorable ways.

"As God is my witness, amen."

On February 7, 1957, T-1 made available a letter dated January 31, 1957, directed to members of the Capital Citizens Council by ROBERT EWING BROWN, president. This letter notes that members of the Arkansas State Legislature will soon begin introducing bills to maintain segregation in Arkansas. It points out that the three segregation measures which were given majorities in the last election by the voters of Arkansas were only the people's instructions to the legislature and that to carry out these instructions the legislature must put through a sound program of enabling legislation. The letter calls on all members of the Citizens Council to visit, phone or write to legislators from Pulaski County, Arkansas, and sets out the name, address and phone number of all Pulaski County legislators.

LITTLE ROCK, ARKANSAS

## OUR LAST CHANCE TO SAVE ARKANSAS!

Early next week several members of the State Legislature will begin introducing bills to maintain segregation in Arkansas. These bills **MUST BE PASSED**.

The three segregation measures which were given whopping majorities in the last election by the voters of Arkansas were only the people's instructions to the Legislature. The Legislature must carry out these instructions by a sound program of enabling legislation to make these three segregation measures effective.

We, the people, must get behind our Legislature and make sure they do exactly this. The Citizens' Councils everywhere in the State -- and there are now almost twice as many Councils as there were when we organized the state association last September -- all are notifying their members today that the show-down battle is here.

The integrationists have mixed races in Fayetteville, Charleston, and Hoxie. School boards of Little Rock, North Little Rock, Fort Smith, and Van Buren have announced that the race-mixing in those cities will start next September.

The only legal way to stop this before September is for our Legislature right now in session to pass laws that say in no uncertain terms -- **STOP!**

Contact at once, by visit, phone, or letter the following legislators from Pulaski County, and tell them you want their support for the whole segregation program which will be introduced next week!

On March 12, 1957, Confidential Informant T-1, who has furnished reliable information in the past made available an undated letter distributed by [redacted] to members of Capital Citizens Council, Little Rock. This letter announced an informal meeting to be held [redacted] at the Hotel Lafayette and noted that a [redacted]

[redacted] would run for positions on the school boards in Little Rock and North Little Rock and stated that these men were pledged to use every legal and legitimate means to prevent race mixing in the schools. The letter distributed over the name "Save Our Schools Committee" requested members to assist in passing out campaign cards, phoning friends, and getting word to the voters urging them to vote for the above candidates in order to save our schools.

T-1 also made available on March 12, 1957, a letter from the Board of Directors, Capital Citizens Council to members of that organization announcing a meeting to be held February 19, 1957, at which State Representative W. L. WARD, SR., would speak on all phases of the segregation problem. This letter urged members to contact the three senators and eight representatives from Pulaski County then present at a session of the Arkansas State Legislature. This letter also requested members to pay their 1957 dues which were listed as \$ 5.00 per year.

T-1 advised also on March 12, 1957, that an official of Capital Citizens Council, Little Rock, had indicated to informant that a number of meetings had been held recently by the organization to promote the candidacy of the segregation candidates for positions on the Little Rock and North Little Rock School Boards.

On April 1, 1957, T-1 advised that the individuals sponsored by Capital Citizens Council and other segregationists for positions on the Little Rock and North Little Rock School Boards had been defeated and had, according to newspaper accounts, received only a small portion of the total vote.

ENCLOSURE

105-34237-25-6

A representative of the 112th CIC Detachment, Fourth U. S. Army, Little Rock, advised April 1, 1957, that the Association of Citizens Councils of Arkansas, Pine Bluff Chapter, held an open meeting at the Labor Temple, Pine Bluff, Arkansas, on March 26, 1957. The meeting was attended by approximately 120 individuals and had been advertised previously as a "Special Meeting of the Pine Bluff Citizens Council." According to the CIC representative, a show of hands revealed that approximately six ministers were in attendance at this meeting. [redacted] City Marshal, England, Arkansas, was introduced as being a strong pro-segregationist. b6 b7C

The CIC representative furnished the following additional information concerning the meeting held at Pine Bluff, March 26, 1957:

The master of ceremonies, whose identity was not learned, gave a brief speech in which he stated that there was much work to be done in the Pine Bluff area because the white population was only about 47% of the total population of Jefferson County, Arkansas. He then introduced JIM JOHNSON of Crossett, an unsuccessful candidate for governor in the 1956 Arkansas general election, as the first speaker. MEETING 1956 ARK. ASSOC. CITIZENS COUNCILS

JOHNSON stated in effect that he firmly believed that his stand against integration was morally, spiritually, and legally right. He added that he did not believe integration would ever work but said if integration could be made to work in the churches he would support integration in the schools. JOHNSON said he had been defeated in the last general election because the "politicians" had bought and/or stole enough votes to beat him. He mentioned that he had successfully placed the "Johnson Amendment" (an amendment to allow the governor of Arkansas to assign children to specific schools, thereby avoiding integration) on the ballot at a cost of approximately \$ 1,000.00 in the last general election, whereas, other amendments placed on the ballot cost as much as \$ 30,000.00. He said some of the pro-segregationists had worked very hard and at their own expense to get the four recent segregation bills passed by the Arkansas Legislature. He singled out [redacted] as having stayed in Little Rock at his own expense for sixty days in order to further the cause of segregation. JOHNSON mentioned that during the time the four segregation bills were before the legislature, he had approached Governor FAUBUS's secretary and showed him some

papers in his (JOHNSON'S) pocket, which JOHNSON claimed to have been "the most blistering attack" on FAUBUS ever made by anyone and informed the secretary that if the four bills did not pass, he would release the papers to the press. According to JOHNSON, the secretary scurried around and got enough support to pass the bills.

JOHNSON went on to say that "comes September the garbage will hit the fan," referring to the U. S. Supreme Court decision that schools be integrated by September, 1957. JOHNSON stated that integration would never work and could never be made to work. He added that many of those individuals who had stood by would actively oppose integration when they saw it happen to their own children. JOHNSON said that he had talked to a Little Rock resident in Ward Five and was told by this individual that he did not oppose integration because he had no Negroes residing in Ward Five, with the exception of one Negro family, and this family would not try to put their children in a white school because there was a good colored school nearby. JOHNSON told this individual that he did not know [redacted] (the NAACP in Arkansas) and added that [redacted] would have someone apply for entry into the white school, even if she had to move a family into the neighborhood to do so.

JOHNSON made a mild attack on the "Arkansas Gazette" (a newspaper published in Little Rock) because the paper allegedly supported integration and because the paper did not support the "Citizens' Councils."

AT [redacted] The [redacted] Malvern, was the next speaker. He challenged anyone to show him where the "Bible," whether by command, precept, or example, advocated the practice of integration, and offered to debate with anyone on the subject. He criticized an unnamed Jewish Rabbi for having talked in favor of integration at an open discussion held in Little Rock on four segregation bills before the Legislature. He pointed out that the Jews practice segregation to a greater extent than anyone and called the Rabbi a hypocrite. He said the "Bible" advocated segregation by citing the incident wherein the Lord segregated the peoples of the world by confusing their language. He said CAIN had been segregated by the Lord and marked so everyone would know the Lord had segregated him. He said God had segregated HAM by making him black and God had made HAM the father of all black people. He condemned HAM and his children by making them servants of servants for the remainder of their lives. [redacted] said Nature herself is the best example of

segregation in the world; quail do not mix with geese, and cows do not mix with horses.

S P E A K E R

The [redacted] Junction City, Arkansas, gave a brief speech in which he stated that he fully agreed with JOHNSON and [redacted] and announced that the Junction City Citizens Council would hold an open meeting on April 9, 1957, at 1930 hours at Junction City. [redacted] invited the public to attend.

b6  
b7C

[redacted] Pine Bluff Citizens Council, gave a brief speech in which he thanked all present for showing an active interest in the Citizens Council movement and urged everyone to join the Citizens Council and spread the word about the good work being done by the Council. He asked that all present make a small donation to help defray the expenses of the speakers at the meeting. The donations were dropped into a hat at the door by the donors on their way out of the meeting.

A [redacted] (probably the brother of [redacted]), a [redacted] (phonetic), and a [redacted] (phonetic) were introduced as [redacted] respectively. None of the three made a speech.

b7C

A three by five index card was issued to all in attendance with the request that each individual list his name, mailing address, and phone number in order that literature concerning the Pine Bluff Citizens Council could be mailed to them.

Three leaflets were made available to all present. One, a letter by [redacted] gave a brief history of the Pine Bluff Citizens Council and appealed for financial and moral support. A second, entitled "Has Communism Engulfed Us Beyond the Point of Recall," asked whether communism had engulfed our national and state governments, our churches, our educational system, our press, radios, television, and motion pictures, and ended by asking, "What Do You Think?" The third leaflet, entitled "The Fifth Column in America," intimated that the Communist fifth column had made such an impression and had taught sociological ideologies in our schools by continuous brain washing and propaganda that it prepared the minds of the students to accept integration as a proper way of life. It also alluded to the population being forced to accept a dictatorial form of government by decree.

# CAPITAL CITIZENS' COUNCIL

P. O. BOX 1977

LITTLE ROCK, ARKANSAS

## APATHY OUR GREATEST ENEMY!

Dear Member:

Not the NAACP, nor even the Communist conspiracy, is the greatest internal enemy of our beloved country today.

Our worst foe is the APATHY of the average "good" American citizen, his defeatism, his indifference and unwillingness to stand up and be counted when he knows the general welfare is at stake.

Our job, in the Citizens' Councils, must be to wake up as many such people as we can. This job calls for organization, and it cannot be done overnight, but we are doing it now and we will continue doing it on an ever-increasing scale.

Our board of directors is working out detailed plans for opening a Little Rock headquarters, with a full-time executive secretary who will spend his entire time building our membership and getting our educational literature into the hands of the people of Pulaski County.

Other very constructive steps to build our active organization and to spread our message to all are being planned.

These plans will be put before the Council for discussion at the April meeting, which will be held at Knights of Pythias Hall, Third and Center Streets, Little Rock, on Tuesday, April 16, at 7:30 P.M. Be there! It's important!

Also -- a recent decision of the Florida Supreme Court will be explained by our Legal Advisory Committee. This decision embodies the key to our full victory over high court usurpation.

See you at the meeting!

Bo

**CITIZENS COUNCILS  
LITTLE ROCK DIVISION  
MAY 9, 1957**

A representative of the 112th CIC Detachment, Fourth U. S. Army, Little Rock, Arkansas, advised May 4, 1957, that that agency had received information on April 24, 1957, concerning a meeting of the Association of Citizens Councils of Arkansas held at the Labor Temple, Pine Bluff, Arkansas, on April 19, 1957. This meeting was held as an "All-State" meeting of the ACCA (also known as Citizens Councils of America, Arkansas Division) and was presided over by [redacted]

[redacted] Pine Bluff Citizens Council. The meeting was held to discuss the membership and financial status of the various chapters of the state organization. It was indicated at this meeting that there were thirty-two state chapters. Reports were heard from a number of the chapters; however, these reports were expressed in very general terms, and no statements were made regarding the membership or financial status of the various chapters. It was reported that the Pine Bluff Citizens Council had a balance of \$ 215.00 remaining in the treasury after an expenditure of \$ 295.00 for advertisements, stationery, and other general expenses. It was also pointed out at this meeting that it was permissible for the chapters to solicit donations from members in addition to their annual dues.

[redacted] stated at this meeting that many sympathizers of the Association of Citizens Councils of Arkansas were reluctant to become members because of their positions in the communities. [redacted] said that the best way for the organization to attain its goal of preventing integration of the races was to build up its membership to the point where the membership could influence the general election for candidates in favor of segregation. [redacted] said the most important goal of the organization at the present time was to increase its membership. Copies of the "Arkansas Appeal" published at West Memphis, Arkansas, were passed out to persons attending this meeting.

Confidential Informant T-1, who has furnished reliable information in the past, made available a letter distributed by [redacted] Capital Citizens Council (CCC), Little Rock, to members of this organization.

On May 1, 1957, the Arkansas Gazette contained an article which reported that Capital Citizens Council of Little Rock, a pro-segregation organization, had appealed to Governor ORVAL E. FAUBUS to "order the two races to attend their own schools" at Little Rock next fall. According to the article, ROBERT EWING BROWN, President of the Council, made the request in a letter delivered to the Governor's office. He reportedly told Governor FAUBUS, "Under the sovereignty of the State of Arkansas, you can under our police powers in order to preserve tranquility, order the two races to attend their own schools. As the sovereign head of the state you are immune to Federal court orders." BROWN reportedly quoted Senator JAMES O. EASTLAND of Mississippi as saying, "The effective way to oppose integrated schools and this attack on the segregated society is through the governments of the states."

ReBulet to Atlanta, 10/9/57.

I have carefully reviewed the instructions outlined in reflet. The contents have been brought to the attention of all agents of this Division. The agents have been instructed to immediately bring to my attention the identities of any persons known to or contacted by the agents who could be considered for development under this program as outlined in reflet.

The following program is being instituted:

1. At this time the identities and locations of all Citizens Councils in Arkansas are unknown. Attempts will be made to identify all councils in the state through discreet inquiries of reliable, established sources.

2. Will review all Little Rock files pertaining to integration of public schools in Arkansas. The latter will include the Hoxie and Little Rock, Arkansas, public schools. A review of these files will not only indicate the identities of persons who have been cooperative with this office, but will also give an indication of the localities which can be expected to have integration problems in the future.

3. Will consider all current criminal and security informants. In this connection this office has one security informant, [redacted] who is a [redacted] Little Rock, and the [redacted] of [redacted] of Arkansas, and who is presently furnishing literature distributed by these organizations. This informant [redacted] these organizations during recent months. During a regular contact with this informant on October 18, 1957, the informant indicated a willingness to become active in the Capital Citizens Council.

I fully recognize the delicate nature of this program to develop coverage in Citizens Councils. I have cautioned agents to be most circumspect and discreet in this regard and above all to avoid leaving the impression with any person that the FBI is investigating Citizens Councils. I have instructed the agents to take no unnecessary risks under this program which might result in embarrassment to the Bureau.

I will personally follow this program closely and periodically furnish results in accordance with instructions in reflet.

[redacted] has on October 9, 16 and 30, 1957, furnished literature of the sort being distributed by the Capital Citizens Council. This matter has or is being furnished the Bureau.

(5) [redacted] has been contacted on a continuing basis for information since June 10, 1957. He has furnished information of value set out later herein. He has not exhibited any emotional instability. He is generally considered to be reliable by agents contacting him. This evaluation is based on similar type contacts with other informants. He has not furnished any information or exhibited any actions which would tend to reflect he was untrustworthy. The information he has furnished has been determined to be accurate because of similar type information contained in the Little Rock files.

Following is a brief resume of the information this PCI has furnished:

On contacts June 11, and 24, 1957, he furnished a list of all known bookmakers, pimps, prostitutes and sex deviates known to him. This has been determined to be accurate in so far as some of the names have previously been incorporated in files within this division based on the receipt of similar type information.

On July 10, 1957, he furnished minute information concerning the operation of bookmaking in the Greater Little Rock area and furnished the number of the post office box (1938) through which the bookmakers receive their scratch

On July 23, 1957, [ ] advised he had been contacted by one [ ] for the [ ] Company, Little Rock, Ark., who desired to sell him some obscene matter. A new 145 case was opened and background data developed on [ ] [ ] is still attempting to obtain further information on [ ]

During August and September, 1957, [ ] was contacted on various matters under investigation in this division but did not have any information to furnish of notable value.

As previously reported beginning on October 9, 1957, [ ] began furnishing Capital Citizens Council literature he had been given to hand out to his customers at the newsstand.

(6) The Little Rock files do not contain any information which might make a contact with this informant inadvisable with respect to his further development as an informant within the Capital Citizens Council. Under date July 9, 1957, the Identification Division advised it was unable to identify [ ] with a prior arrest record on the basis of information furnished (descriptive).

(7) It is recommended that this informant be contacted and when the opportunity avails itself he be advised that the Bureau is not interested in the activities of Citizens Councils as such but is interested with respect to possible violence or elements proposing violence within the Capital Citizens Council along the lines set out in referenced Bulet. Noted he has previously stated he was opposed to violence, the actions of the Capital Citizens Council, but personally felt that segregation for the Little Rock area at the present was best until feelings of the people were more settled.

## Guthridge Endorses 7 Candidates, Says GGC Slate Favors Integration

By GENE FOREMAN

Of the Gazette Staff

Segregationist Attorney Amis Guthridge endorsed seven candidates for the Little Rock city manager Board of Directors last night at a States Rights Rally at the Auditorium. He criticized the Good Government Committee as a "clique of civic hypocrites" and urged the defeat of the Committee's slate of candidates for the seven Board positions in Tuesday's election.

Guthridge, attorney for the Capital Citizens Council which sponsored the Rally, suggested that the GGC candidates if elected would permit racial integration at city swimming pools and golf courses.

The seven candidates who Guthridge endorsed as "100 per cent all right" were Mrs. Margaret C. Jackson, C. E. Heer, Mrs. Clyde Y. Thomason, Mrs. F. E. Bates, H. H. Crow, E. A. Lauderdale and Fletcher Langford.

These candidates, except for Heer, were present at the Rally along with several candidates who have said they were independents. *ARK*

Guthridge's attack on the GGC was part of a double-feature program attended by an enthusiastic audience, estimated at 800 persons.

The other major address was delivered by Louisiana State Senator W. M. Rainach of Homer, La., who urged his listeners to organize to fight integration throughout the South. *ARK*

Rainach advocated tight voter qualification laws to reduce the Negro vote and to "bring political power back into the hands of the people who can handle it." He said an earlier generation of Southerners had used the same tactic in forcing an end to the Reconstruction era.

### 'We're Through'

Calling for the defeat of the GGC slate Board of Directors in the city election, Guthridge declared: "If they get in, we're through in my opinion."

Guthridge described the GGC as an organization composed of "some well-meaning people who don't know what's going on around them."

He also referred to it as the "alleged" Good Government Committee and the "self-named, self-appointed" Good Government Committee.

### Criticizes Three

The attorney singled out for particular criticism several members of the GGC and three of its candidates—G. W. Blankenship, Mrs. Edgar E. Dixon and Leland P. Leatherman. He said he "had word" that Little Rock Negroes were going to bloc vote for the GGC slate. *ARK*

Mrs. Thomason, Mrs. Jackson and Lauderdale of the seven endorsed by Guthridge had indicated they were segregationists. The other four have made no public statement on the matter.

Guthridge lashed at the Arkansas Gazette for "slanted news coverage" of the integration dispute and promised to "reply" to Executive Editor Harry S. Ashmore on television at 8 p. m. Sunday on Channel 7 (KATV). Thunderous applause greeted his remarks. *ARK*

## Top Figures at States Rights Rally

Amis Guthridge (second from right) of Little Rock, attorney for the Capital Citizens Council, talks to three visitors from Louisiana during an intermission in the States Rights Rally sponsored by the Council last night at the Auditorium. The Louisianians are (from left) W. M. Shaw of Homer, attorney for Louisiana's Joint Legislative Committee on Segregation and an assistant state attorney general; state Senator W. M. Rainach of Homer, chairman of the Joint Committee, and state Representative John S. Garrett of Hainesville, member of the Committee.

America, compared the present dispute over school integration to the conditions which existed in the South immediately after the Civil War.

"There are some who say there is no use to fight; that the Supreme Court is the supreme law of the land," he said. "They say this is something that has never happened before."

"But in truth this a battle that was fought before — nearly 100 years ago. The South won a victory but then we went to sleep and lost it."

He said the state of Louisiana had reduced the number of Negro voters in the late 1800s by installing rigid voter requirements. Since then, he said, Negro voting has again increased but "we are going to make a drive to enforce these qualifications in Louisiana and all over the South."

He implied that efforts to bring about racial integration were

Communist-inspired and said Reds were "telling the federal government what to do" in the integration dispute.

"The whole thing shapes up pretty clearly now," he said. "The fight is not to help the Negroes but to get the Negroes' votes."

He praised the Capital Citizens Council for provoking a change of public opinion in Arkansas.

"Little though you realize it," he said, "you are on the road to victory."

His audience interrupted his speech several times with applause and stood in ovation to indicate its approval when he praised Governor Faubus for attempting to block integration of Little Rock Central High School. Guthridge and Rainach spoke from a rostrum draped with a Confederate battle flag. Flags of Arkansas, the Confederacy and the United States hung in the background.

# Little Rock Attorney Warns Against Negro Bloc Voting

By NORMAN SPELL  
News and Courier Staff Writer

The attorney for the Little Rock Ark. Citizens Council warned a Charleston audience of 500 last night that the organized Negro vote is becoming the "balance of power" in key elections.

Amis Guthridge, speaking in Hibernian Hall, said an election in Little Rock Nov. 5 to elect city directors for that city's new manager - directors government "was rigged from the beginning."

Guthridge said 7,000 Negroes voted in the election, with a total vote of 21,000. He said a split vote cost the pro-school-segregation candidates a majority of seats on the city board of directors.

Guthridge's appearance here last night was sponsored by the Citizens Councils of Charleston County.

Micah Jenkins, president of the group, arranged a dinner here before the meeting for Guthridge and Charleston County legislators and educators.

The talk here was one of four scheduled in South Carolina. Guthridge spoke in Florence Monday night, Ellerbe Tuesday, and will appear at Lower Richland High School near Columbia Thursday and in Conway tomorrow.

Guthridge attacked editor Harry Ashmore of the Arkansas Gazette Tuesday night in his Ellerbe Speech as "a comfort to the Communists," but said he was "not sure" Ashmore carries a Communist Party membership card.

Ashmore's reaction to Guthridge's remarks in Ellerbe brought a renewed attack from the Arkansas attorney here last

night.

Ashmore said in New York, where he is attending a director's meeting of the Fund For The Republic, that Guthridge "has been making the same speech for years."

Guthridge retorted last night that he would "probably be making the same speech on my dying day, since all I believe in is the Constitution, State's Rights, Jesus Christ and racial integrity."

Guthridge said South Carolina was "fortunate in its political leadership," and drew a long ovation for his praise of U. S. Sen. Strom Thurmond's filibuster against the "civil rights" bill passed by the last Congress.

Guthridge commended the S. C. General Assembly for its 1952 stand on preserving segregated public schools by cutting off tax money if a federal court orders such schools integrated.

He said The News and Courier is "one of the greatest newspapers in the U. S.," and its editor, Thomas R. Waring is "a great

editor and a man who believes in you and your customs. He will fight for you."

He compared Ashmore's editorials in the Little Rock newspaper as "only different from those in the Communist Daily Worker because Ashmore's are a week later."

Guthridge pointed out that the Little Rock situation had taught him the integration movement is "a Communist-inspired conspiracy, and a death struggle by people dedicated to destroying our American republic."

Guthridge charged the agencies of the Federal government are practicing methods "which they tell us are illegal." He pointed out that the Army's Counter Intelligence Corps has tapped his telephone and recorded all conversations, even though wire-tapping is a Federal offense.

"We can't win with violence, but we'll fight honorably and legally to preserve racial integrity," Guthridge declared, "but we intend to fight."

Without calling any names, Ives said the hearing had shown "how many employers were able to thwart the right of their employees to organize, or to prevent certain unions from becoming the collective bargaining agent for their employees in favor of 'friendlier' labor organizations, by retaining the services of a middleman."

### Election Aftermath

Little Rock is still seething beneath the surface over its Nov. 5 election. White Citizen Council members, who elected one member of the new city manager's board of directors and narrowly missed electing six others, now claim they would have swept the election "if big businessmen and Negroes hadn't ganged up on us."

Moderates were appalled at strength of White Citizens vote.

# Citizens Council Circulates Handbill on 'Arrest Record' Of State NAACP Leader

By the Associated Press

A handbill purporting to list the arrest record of Mrs. L. C. Bates, president of the Arkansas National Association for the Advancement of Colored People, was being distributed at Little Rock yesterday.

The printed handbill bore the notation "paid for and distributed by Capital Citizens Council, Julian Miller, director."

The handbill had a facsimile reproduction of a police record from Arkansas State Police showing that a Daisey Bates (sic), Daisey Lea Bates, Daisy Bates had been arrested five times—once at Monroe, La., for "investigation," twice for "contempt of court" at Little Rock, once for "gamin" at Little Rock and once for failing to register as head of the NAACP in violation of a recent Little Rock ordinance.

Amis Guthridge, attorney for the Citizens Council, said the circular "speaks for itself" when asked why it was being distributed. As to where the Citizens Council obtained the police pictures and police records, Guthridge would say only that they came from a law enforcement agency.

Capt. Leon Gershner, head of the State Police Records Bureau, said the Citizens Council did not get its information there and that the State Police gave such information only to other law enforcement bodies.

## Explanation Given

Mrs. Bates scoffed at the charges and gave the following explanation for each arrest:

"Some of these things were so minor that I had forgotten them. I remember the Monroe arrest. I remember that L. C. (her husband), several relatives and myself were traveling and a service station operator spotted a gun in the car—and he had a permit to carry the gun.

"The only thing the police asked me was my name. I told them 'Daisy.' They were questioning L. C. Bates and assumed that my name was Bates also. I was only 14 and L. C. and I were not married at that time.

## Won Case on Appeal

"I spent six hours in jail in 1946 on the contempt of court charge. That's the only time I've ever been in jail in my life. I later won my case before the Arkansas Supreme Court.

"The gaming charge—well, I laughed at that one. That was in 1962 when the police were trying to crack down on gambling and they were walking into people's houses without warrants. I was in a penny ante poker game at a neighbor's house and they (the police) walked in. I was fined \$5."

The 1946 contempt of court charge was filed against Mrs. Bates and her husband by then Circuit Judge Lawrence C. Auten because of an article published in their newspaper, the Arkansas State Press, about a ruling by Auten in a court case involving three Negro ~~IO~~ leaders. Later the same year the Arkansas Supreme Court overruled that con-

viction and ordered it dismissed.

The handbill, which carried a picture of Mrs. Bates with numbers across the front of the photograph, said, "There is a vicious fear campaign in process at Central High School, whereby the white children are being told that at anytime a white child has trouble with a Negro student that the white students must face Daisy Bates and be cross-examined by her."

The Negro leader previously said that she had never questioned white students about racial incidents at Central High.

"Have you ever been in the principal's office at Central High?" a newsman asked.

"Yes, I had a conference with Mr. J. W. Matthews (the principal). There were one or two other school officials present. No white students were there. We had a conference about Minnie Brown. Minnie's mother was present."

The Citizens Council also charged that "an iron-clad censorship has been clamped on Central High School."

The handbill said that "Daisy Bates was allowed to cross-examine a number of white students recently following a kick-fight between a white girl and Negro girl. Because the white girl would not answer Daisy Bates' questions, Mr. Matthews gave the white girl two weeks in detention hall."

SUBJECT: [REDACTED]WHITE CITIZENS COUNCILS  
LITTLE ROCK, ARKANSAS

[REDACTED] of the Civil Rights Division of the Department called [REDACTED] at 4:30 p.m. to advise that [REDACTED] Department of the Army, had called him to say that [REDACTED] will address the Fairfax Citizens Council at Falls Church High School sometime today. [REDACTED] wanted to know if the FBI could cover this meeting and report the results to the Department.

[REDACTED] the White Citizens Council at Little Rock and, if I recall correctly, refused to furnish any information to our Agents who interviewed him during the Little Rock situation. He is currently making a tour, speaking in favor of segregation.

A check with the Resident Agent at Alexandria reflected that they had been in touch with the Washington Field Office (WFO) and that WFO intends to send an informant to cover this meeting tonight. The Resident Agent was advised that he should coordinate with WFO to see that this meeting is covered either by informants or, if this is not possible, by a Special Agent. However, if it becomes necessary to use a Special Agent the Resident Agent should check with his SAC at Richmond and should be sure that the meeting is of a public nature and that the Resident Agent selected will not be well known in order that it will not become known that we are covering the meeting. The results of this meeting will be furnished to the Bureau promptly for dissemination to the Department.

REC-78

[REDACTED] was advised that depending on the type of meeting involved we would attempt to cover it and the results would be furnished to the Department.

It is noted that Richmond has an interest in the Fairfax Citizens Council and that this is one of the groups that we are attempting to cover in our coverage of white citizens councils. Further [REDACTED] while not so far in the class of John Kasper as a rabble-rouser, is definitely a disturbing element.

CAPITAL CITIZENS COUNCIL MEETING  
LITTLE ROCK, ARKANSAS  
DECEMBER 17, 1957

The following information was furnished this office on December 17, 1957, by an individual who requested his identity not be revealed:

The Capital Citizens Council of Little Rock, Arkansas, held a meeting at 7:30 PM on December 17, 1957, in the Sky Room of the Lafayette Hotel, Little Rock, Arkansas. The meeting was attended by approximately 400 to 500 people, of whom about 80 per cent appeared to be a laboring class of people. Robert Brown presided, and at the beginning of the meeting he requested representatives of news media to leave as the meeting was a closed meeting.

New officers were elected as follows: Reverend Wesley Pruden, President, and Theo Dillaha, Vice President. Eight additional members were elected to the Board of Directors, one of these being Harry Crow. The main speakers were Amis Guthridge and Harvey B. Thorn; the latter was defeated for the office of Attorney General of Arkansas in 1956. Also sitting at the front with officers were Dr. Malcolm Taylor and a Mr. Lauderdale. The latter was identified as the Lauderdale who was defeated in the Fall of 1957 as a candidate for a member of the City Directors of the City of Little Rock. Also present was a Mr. Pointer (phonetic), the State Organizer for White Citizens Councils in Arkansas, who made a pep talk for new members and loyalty to the organization.

Amis Guthridge made a heated speech against the "Arkansas Gazette," stating they were going to run Harry Ashmore, Editor, out of town. He asked all members to write letters to business firms who advertised in the "Arkansas Gazette" telling them they were going to be boycotted if they continued to advertise in the "Arkansas Gazette." He asked the members to sign their names to the letters.

115-34239-25-17  
ENCLOSURE

Guthridge condemned the Federal Government, the President, Congressman Brooks Hays, the FBI, and others for the way the integration problem at Little Rock had been handled. He continued that the FBI had two men out at Mrs. Margaret Jackson's house off and on and that they had also been in Guthridge's neighborhood. Guthridge did not elaborate on this point.

Guthridge's speech also included the following items: Mayor Mann has gone to work for the National Association for the Advancement of Colored People in New York City. Sidney McMath and Daisy Bates flew to California together about December 5, 1957, after they had received round-trip plane tickets from an unnamed source. McMath received another plane ticket to California about a week ago. Guthridge did not explain the significance of these statements except by the following: An unknown man who had been sitting back in the audience, obviously by pre-arrangement, had been talking out loud while looking at a newspaper. At this point in Guthridge's speech, the unknown man stood up and said, "Look what I found in this paper." He took the newspaper up to the front and gave it to Guthridge, who displayed it to the audience. The newspaper showed a photograph of Daisy Bates collecting money at a meeting of the National Association for the Advancement of Colored People in California.

Guthridge made reference to the circular being distributed by the Capital Citizens Council showing a photograph and arrest record of Daisy Bates, and stated another such circular would be prepared and circulated regarding L. C. Bates, who has an arrest record, and who is the husband of Daisy Bates.

Mrs. L. C. Bates  
Harvey B. Thorn assured those present there was nothing illegal about the boycott campaign being conducted against the "Arkansas Gazette."

The informant was of the opinion that Guthridge and Thorn, through their speeches, built up the audience to an emotional pitch to the extent that they would do about anything which the speakers might request of them. The next meeting was announced for January 2, 1958, at the Marion Hotel Ballroom at Little Rock.

The following literature was distributed to those present:

1. A one-page circular bearing the photograph and arrest record of Daisy Bates.

2. A leaflet entitled, "Wonder Bread Executive Wins Urban League Award, George Faunce, Jr., Vice President." The leaflet states at the bottom "The above facts were reported on page 27 of the January 16, 1956, issue of 'Baker's Weekly' Magazine, 71 Vanderbilt Avenue, New York 17, New York."
3. A one-page, typewritten on both sides, article entitled, "A List of the Gazette Advertisers."
4. A one-page circular entitled, "Bell of Liberty - The Symbol of Justice," bearing the following name and address at the bottom: "C. C. Boyd, Route 2, Box 358, Groveland, Florida." The circular relates to Civil Government and Military Government.
5. A two-page circular consisting of a letter dated September 25, 1957, at 119 West Patterson Street, Lakeland, Florida, addressed to the "Tampa Tribune," Tampa, Florida, and bearing the following at the bottom: "C. C. Boyd, Route 2, Box 358, Groveland, Florida." This circular relates to integration.
6. An envelope bearing a printed form of the Capital Citizens Council, 1110 West Capitol, to be used for joining or contributing to the Capital Citizens Council.

### 'Noble Purpose'

To the Editor of the Gazette:

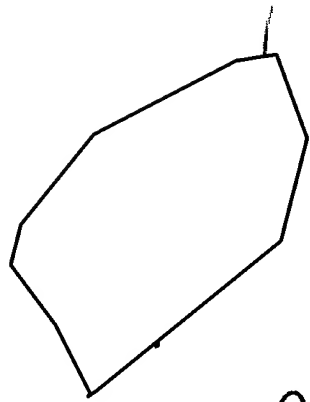

I am a white Democrat and have never voted for Eisenhower for president. One of the objectives of the White Citizens' Council, as publicly expressed at a recent meeting, is to make President Eisenhower the laughing stock of the world. To make our president the laughing stock of the world is to make the United States the laughing stock of the world.

What a noble purpose for an organization to have which sets itself up as a loyal group of United States citizens! I doubt very much if even the Communist Party has ever dared make such a public statement.

How low can hate, bigotry, intolerance and prejudice force an otherwise intelligent group of people?

Little Rock.

Shocked.

# Pine Bluff Group Hears Like Criticized

Gazette State News Service

Pine Bluff, March 20.—Amis Guthridge, a Little Rock attorney, told 79 persons attending a meeting of the Pine Bluff Citizens Council tonight, that "the fiasco of the federal troops at Little Rock will brand President Eisenhower as the sorriest president this nation has ever had."

The Pine Bluff School Board earlier today announced that it had deferred temporarily the starting date for racial integration in the city's school system. The Board was to have started a gradual integration program in the first grade this fall.

L. D. Poynter, president of the Pine Bluff Council, said he believed that the deferment of integration of public schools at Pine Bluff would be postponed indefinitely even after the 1959 date when the city's School Board said they would again consider the matter.

Poynter commended the Board for its action in deferring integration.

Guthridge's speech was interrupted several times when members of the audience applauded and stamped their feet.

Guthridge urged the audience to get out and vote in a special election April 8, when the voters will vote on the Bennett ordinance, which was adopted by the City Council last November 18. He warned that the election in Pine Bluff might be lost to the Negroes, who comprise about 45 per cent of the population of the city.

Guthridge said "the issue is not this ordinance. It is whether you will let the Negroes take over your city government."

Rev. Wesley Pruden, a Little Rock minister, was master of ceremonies.

No information has come to the attention of the Little Rock Division that officials of the Arkansas Division of the Citizens Councils of America are engaging in any activity at this time.

It is noted; however, that [redacted] as well as local newspapers reported that the Capital Citizens Council of Little Rock (which council has a number of the leaders of the council of Arkansas), held a political rally in Little Rock on the night of July 15, 1958, at the Robinson Auditorium, Little Rock. According to the press, the purpose of this meeting was to allow all candidates for election to express themselves on two points i.e., "(1) Are you in favor of maintaining segregation in Little Rock, Pulaski County, and Arkansas? (2) Do you oppose federal dictatorship over matters reserved by the United States Constitution to the control of the State of Arkansas - namely, the operation of our local schools and busses?" According to an advertisement of the Capital Citizens Council in the Arkansas Democrat, July 14, 1958, "Following the appearance of the candidates, one of the leading clergymen of the United States, Dr. HENRY L. LYON, pastor of Highland Avenue Baptist Church, in Montgomery, Alabama, will deliver a 45 minute address on the subject, "Why Race-Mixing is un-Christian."

The Bureau will be appropriately advised of any activities of the Arkansas Division of the Citizens Council of America.

# Washington Schools CCC Topic

William Gerber, Memphis attorney who worked in a congressional probe of conditions in integrated schools at Washington, will

address a public meeting of the segregationist Capital Citizens Council here next Tuesday.

Gerber was an attorney for a subcommittee of the House's District of Columbia Committee in an investigation of Washington schools several years ago.

The Citizens Council, originally planned a closed meeting. But the Rev. Wesley Pruden, council president, said yesterday it was decided to invite the public be-

cause of "the frightening seriousness of the situation and the urgent need to get our message to as many people as possible."

Gerber will discuss the standards and moral conditions that prevailed in Washington schools after the end of segregation, the Rev. Mr. Pruden said.

The minister, pastor of Broadmoor Baptist Church here, said he expected about 1,000 persons at the meeting.

M. ~~RAINACH~~, Chairman, Association of Citizens Councils of Louisiana; Mr. ROBERT B. PAPPERSON, Executive Secretary, Association of Citizens Councils of Mississippi; and Rev. The Southwest American, a Fort Smith, Arkansas, newspaper, on September 16, 1958, reported that a Crawford County Citizens Council was formally organized at Van Buren, Arkansas, on the night of September 15, 1958, with more than one hundred persons attending the meeting. Thirty-two new members were added to the group, which was formerly called the Crawford County Citizens Committee. Representatives of this group met with leaders of the Capital Citizens Council, Little Rock, on September 13, 1958, to receive instructions on how to organize a local citizens council.

ARK. [redacted] the new citizens council, said the affiliation with the Little Rock Council was for the purpose of acquiring "strength." ...of fine calculation, in this species of skill we have no rivals, any more than we have either in the drawing up of plans of political actions and solidarity. In this respect the Jesuits alone might have compared with us, but we have contrived to discredit them in the eyes of the unthinking mob as an overt organisation, while we ourselves all the while have kept our secret organisation in the shade.

## XI

7. For what purpose then have we invented this whole policy and insinuated it into the minds of the *goy* without giving them any chance to examine its underlying meaning? For what, indeed, if not in order to obtain in a roundabout way what is for our scattered tribe unattainable by the direct road? It is this which has served as the basis for our organisation of SECRET MASONRY WHICH IS NOT KNOWN TO, AND AIMS WHICH ARE NOT EVEN SO MUCH AS SUSPECTED BY, THESE GOY CATTLE, ATTRACTED BY US INTO THE "SHOW" ARMY OF MASONIC LODGES IN ORDER TO THROW DUST IN THE EYES OF THEIR FELLOWS.

## Planned Inflation or Depression

## XX

20. Economic crises have been produced by us for the *goyim* by no other means than the withdrawal of money from circulation. Huge capitals have stagnated, withdrawing money from States, which were constantly obliged to apply to those same stagnant capitals for loans. These loans burdened the finances of the State with the payment of interest and made them the bond slaves of these capitals....

2. Throughout all Europe, and by means of relations with Europe, in other continents also, we must create ferment, discords and hostility. Therein we gain a double advantage. In the first place we keep in check all countries, for they will know that we have the power whenever we like to create disorders or to restore order. All these countries are accustomed to see in us an indispensable force of coercion. In the second place, by our intrigues we shall tangle up all the threads which we have stretched into the cabinets of all States by means of the political, by economic treaties, or loan obligations. In order to succeed in this we must use great cunning and penetration during negotiations and agreements, but, as regards what is called the "official language," we shall keep to the opposite tactics and assume the mask of honesty and complacency. In this way the peoples and governments of the *goyim*, whom we have taught to look only at the outside whatever we present to their notice, will still continue to accept us as the benefactors and saviours of the human race.

## Divide and Rule

## V

5. For a time perhaps we might be successfully dealt with by a coalition of the GOYIM of all the world: but from this danger we are secured by the discord existing among them whose roots are so deeply seated that they can never now be plucked up. We have set one against another the personal and national reckonings of the *goyim*, religious and race hatreds, which we have fostered into a huge growth in the course of the past twenty centuries. This is the reason why there is not one State which would anywhere receive support if it were to raise its arm, for every one of them must bear in mind that any agreement against us would be unprofitable to itself. We are too strong—there is no evading our power. The nations cannot come to even an inconsiderable private agreement without our secretly having a hand in it.

## PROTOCOLS

### Human Freedom Debased

No alteration in the text of this translation has been made since it was first published.

#### III

20. The word "freedom" brings out the communities of men to fight against every kind of force, against every kind of authority even against God and the laws of nature. For this reason we, when we come into our kingdom, shall have to erase this word from the lexicon of life as implying a principle of brute force which turns mobs into bloodthirsty beasts.

### Blackmail- A Vicious Weapon

#### X

13. In order that our scheme may produce this result we shall arrange elections in favor of such presidents as have in their past some dark, undiscovered stain, some "Panama" or other—then they will be trustworthy agents for the accomplishment of our plans out of fear of revelations and from the natural desire of everyone who has attained power, namely, the retention of the privileges, advantages and honour connected with the office of president

### Plan Secrecy of the Plot

#### XIII

5. When we come into our kingdom our orators will expound great problems which have turned humanity upside down in order to bring it at the end under our beneficent rule.

6. Who will ever suspect then that ALL THESE PEOPLES WERE STAGE-MANAGED BY US ACCORDING TO A POLITICAL PLAN WHICH NO ONE HAS SO MUCH AS GUESSED AT IN THE COURSE OF MANY CENTURIES!

### Control of our Economy Planned

#### VIII

2. We shall surround our government with a whole world of economists. That is the reason why economic sciences form the principal subject of the teaching given to the Jews. Around us again will be a whole constellation of bankers, industrialists, capitalists and—the main thing—millionaires, because in substance everything will be settled by the question of figures.

3. For a time, until there will no longer be any risk in entrusting responsible posts in our State to our brother-Jews, we shall put them in the hands of persons whose past and reputation are such that between them and the people lies an abyss, persons who, in case of disobedience to our instructions, must face criminal charges or disappear—this in order to make them defend our interests to their last gasp.

#### XX

1. To-day we shall touch upon the financial programme, which I put off to the end of my report as being the most difficult, the crowning and the decisive point of our plans. Before entering upon it I will remind you that I have already spoken before by way of a hint when I said that the sum total of our actions is settled by the question of figures.

#### XXII

2. In our hands is the greatest power of our day—gold: in two days we can procure from our storehouses any quantity we may

the diplomat.

5. We must compel the governments of the *goyim* to take action in the direction favored by our widely-conceived plan, already approaching the desired consummation, by what we shall represent as public opinion, secretly promoted by us through the means of that so-called "Great Power"—the Press, which, with a few exceptions that may be disregarded, is already entirely in our hands.

## XII

8. Literature and journalism are two of the most important educative forces, and therefore our government will become proprietor of the majority of the journals. This will neutralise the injurious influence of the privately-owned press and will put us in possession of a tremendous influence upon the public mind

**Liberalism = Communism = Zionism**

## X

9. When we introduced into the State organism the poison of Liberalism its whole political complexion underwent a change. States have been seized with a mortal illness—blood-poisoning. All that remains is to await the end of their death agony.

**One Zionist World Via War**

## II

1. It is indispensable for our purpose that wars, so far as possible, should not result in territorial gains: war will thus be brought on to the economic ground, where the nations will not fail to perceive in the assistance we give the strength of our predominance, and this state of things will put both sides at the mercy of our international *agentur*; which possesses millions of eyes ever on the watch and unhampered by any limitations whatsoever. Our international rights will then wipe out national rights, in the proper sense of right, and will rule the nations precisely as the civil law of States rules the relations of their subjects among themselves.

## OUR PRESIDENT A VICTIM!

Since Ike was heard to mutter about the — blank — blank Jewish machine (in January 1957) he has had

1. A Growingly Bad Press
2. Been "manipulated" to "reverse" himself until the American people are dizzy.
3. Had his prestige with his fellow Americans subtly undermined in a number of devious ways.

## WHO NEXT?

Dr. Albert Hoffman, a Swiss Chemist and an admirer of Freud, has discovered a new drug considered exceptionally useful for subversive purposes. It can be used to induce insanity with suicidal tendencies to such a degree that the victim of an over-dose cannot resist the urge to commit suicide.

This drug is called "Lysergic Acid Diethylamide". Accompanying the report was a statement that experimentation in its use, "in a country other than Switzerland", resulted in nine suicides in one hospital in a period of two months. The "Mental Health" crowd will welcome this discovery,  
(American Mercury, August 1957)

## III

7. We appear on the scene as alleged saviours of the from this oppression when we propose to him to enter the of our fighting forces—Socialists, Anarchists, Communists whom we always give support in accordance with an a brotherly rule (of the solidarity of all humanity) of our masonry. The aristocracy, which enjoyed by law the lab the workers, was interested in seeing that the workers were fed, healthy and strong. We are interested in just the opposite—in the diminution, the *killing out of the GOYIM*. Our is in the chronic shortness of food and physical weakness worker because by all that this implies he is made the slave of our will, and he will not find in his own authorities strength or energy to set against our will. Hunger creates right of capital to rule the worker more surely than it was to the aristocracy by the legal authority of kings.

**Fluoridation-Tranquilizers-etc**

## X

19. But you yourselves perfectly well know that to prevent the possibility of the expression of such wishes by all the nations it is indispensable to trouble in all countries the people's lives with their governments so as to utterly exhaust humanity with dissension, hatred, struggle, envy and even by the torture, by starvation, **BY THE INOCULATION OF DISEASES**, by want, so that the GOYIM see no other issue than to take refuge in our complete sovereignty in money and in all

**Filthy Literature**

## XIV

5. In countries known as progressive and enlightened we created a senseless, filthy, abominable literature. For some time after our entrance to power we shall continue to encourage its existence in order to provide a telling relief by contrast to our speeches, party programme, which will be distributed in the exalted quarters of ours . . .

The Zionists caused F. D. ROOSEVELT to give Manchuria and Poland to the Communists and to divide Germany . . . see the results.

FRANKFURTER, directing the State Department, gave China to the Communists and sent General MARSHALL, their stooge, to spend 13 months breaking down enemies of Communism in China.

BARUCH has spent his life carrying out the plot of the "Protocols of the Learned Elders of Zion" while representing himself to the public as "Elder Statesman" and "Advisor to Presidents". He pretends to be a patriot by advising America what it should do for protection against war crises which he and his gang has foisted on America in their plot. Never elected to public office but rules from behind the scenes.

By their control of gold, they control the means of propaganda, smearing all newspapers and publications who do not kow-tow to their wishes, and also shutting off all foreign news they do not wish a nation's people to hear. Every regular newspaper in the land talks of the world crisis, but not one dares to inform the public of the Zionist plot behind the crisis.

## PRESS II

5. In the hands of the States of to-day there is a great force that creates the movement of thought in the people, and that is the Press. The part played by the Press is to keep pointing out requirements supposed to be indispensable, to give voice to the complaints of the people, to express and to create discontent. It is in the Press that the triumph of freedom of speech finds its incarnation. But the *goyim* States have not known how to make use of this force; and it has fallen into our hands. Through the Press we have gained the power to influence while remaining ourselves in the shade; thanks to the Press we have got the gold in our hands, notwithstanding that we have had to gather it out of the oceans of blood and tears. But it has paid us, though we have sacrificed many of our people. Each victim on our side is worth in the sight of God a thousand *goyim*.

## III

1. To-day I may tell you that our goal is now only a few steps off. There remains a small space to cross and . . .

Mr. Henry Ford, in an interview published in the *New York World*, February 17th, 1921, put the case for Nilus tersely and convincingly thus:

The only statement I care to make about the PROTOCOLS is that they fit in with what is going on. They are sixty years old, and they have fitted the world situation up to this time. THEY FIT IT NOW.

## CORRUPT AND RULE

### IX

9. In order not to annihilate the institutions of the *goyim* before it is time we have touched them with craft and delicacy have taken hold of the ends of the springs which move mechanism. These springs lay in a strict but just sense of we have replaced them by the chaotic license of liberalism have got our hands into the administration of the law, in conduct of elections, into the press, into liberty of the press but principally into education and training as being the stones of a free existence.

10. We have fooled, bemused and corrupted the youth *goyim* by rearing them in principles and theories which known to us to be false although it is by us that they have been inculcated.

## United Nations the Zionist Super World Govt.

By all these means we shall so wear down the GOYIM that they will be compelled to offer us international power of a nature by its position will enable us without any violence gradually absorb all the State forces of the world and to form a new Government. # PRESS AND COMMUNICATIONS

## WHAT IS THE ANTI-DEFAMATION LEAGUE?

(Protocols of the Learned Elders of Zion, Part XI, Section 10)

ADL is camouflaged as a mild pleasant organization to promote love between Jew and Gentile.

The ADL is the Gestapo or the MVD of Zionist Conspiracy. It is supported by the Lehmans, Warburgs, Morgenthau, et al. It has secret agents in every community in America.

1. By stealth, by craft, by blackmail, it rules our newspapers and magazines, our publishers, our radio stations, our TV Channels.

2. It creates and promotes "Minority Groups" and sows the seed of race, color, and creed dissensions. Anti-segregation agitation is an ADL job. It has broken us up into a nation of quarreling, wrangling, hating factions.

3. It sets up "Smear" and "Character Assassination" apparatus to destroy any individual who attempts to expose or fight the Zionist Conspiracy. (General MacArthur, Joe McCarthy, James Forrestal, Adm. John Crommelin, etc.)

The "Smear" assignment to ADL was of vast importance. "Smear" effectively silences or discredits those who would save us; they have no outlet through Press or Radio to defend themselves.

"Through the Press we have gained the power to influence while remaining ourselves in the shade."  
(Protocols of the Learned Elders of Zion, Part II, Section 5)

"Not a single announcement will reach the public without our control, ... inasmuch as all news items are received by a few agencies, in whose offices they are focused from all parts of the world. These agencies will then be already entirely ours and will give publicity only to what we dictate to them."

(Protocols of the Learned Elders of Zion, Part XII, Sec. 4)

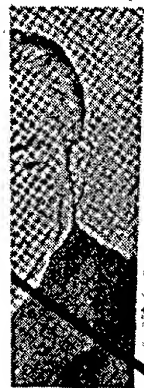

The Chicago Tribune of May 29, 1950, rendered a service in telling you Herbert Lehman was the third most powerful man in these United States. The most powerful, continuously since 1912, is Bernard Baruch. For at least 20 years Sidney Weinberg has been the second most powerful. These men represent the Money Power. The king in the world of money is the House of Rothschild.

### FEDERAL RESERVE BANK NOT "FEDERAL" AT ALL!

The formulation of the Federal Reserve System by Paul Warburg and his associates resulted in the Federal Reserve Act which has turned our economy over to private Zionist International Bankers.

### WHY DO WE OWE A NATIONAL DEBT? AND TO WHOM?

The Federal Reserve Bank Act, the greatest financial rape of a nation in the history of the world, robs Congress of the Constitutional right to coin our money valued against our assets and services as a nation. We still print our money but we turn it over to the Private Zionist Bankers and then pay them interest to lend it to us for promoting the wars in which they have involved us. Taxpayers now pay approximately eight billion a year interest.

## CORRUPT AND CONQUER

Our Textbooks are being "Brainwashed" of all patriotic idealism. . . our heroes are being debunked. Freudian psychoanalysis (grandfather of Psychopolitics) reduces man to an animal wracked by inordinate sex desires, by incest desires, and all kinds of perversion. By design and plan all scandal and immorality to be played up in the press. Note:

Confidential Magazine Case making headlines right across the country and keeping us diverted from the crisis building up like the pieces of a puzzle in the Middle East.

Parents for a generation "Brainwashed" into the easy method of child training—no child training—"Permissive Psychology" which has produced a nationwide problem of Juvenile Delinquency. People with no respect for themselves or for anything are easily conquered.

## PSYCHOPOLITICS IN ACTION TODAY

Part of a hand book for instruction in the Communists Training Schools in the U. S. used at the Eugene Debs Labour School, 113 E. Wells St., Milwaukee, Wisconsin.

An Address by Beria to

Very Special Students at the Lenin University:

"American Students, at the Lenin University, I welcome your attention to these classes on Psychopolitics. . . .

"With the institutions for the insane, you have in your country prisons which can hold a million persons and can hold them without civil rights or any hope of freedom. And upon these people can be practiced shock and surgery so that never again will they draw a sane breath. You must make these treatments common and accepted. And you must sweep aside any treatment or any group of persons seeking to treat by effective means. . . .

Psychopolitics is a solemn charge. With it you can erase our enemies as insects. You can cripple the efficiency of leaders by striking insanity into their families through the use of Drugs. By our technologies you can even bring about insanity itself when they become too restive." Forrestal??

## A TERRIBLE WEAPON

Stalin is supposed to have turned ten million people into slaves and zombies by the use of the Lobotomy Operation. (American Mercury, August 1957)

Twenty two states in America have now passed legislation which makes it possible for a judge to pass a person as insane without even seeing him, to allow "any treatment the hospital deems necessary" the first week without the permission of relatives or friends.

The Trend in our country today is evident in the attempt to establish a "Mental-Siberia" in Alaska, which was called for in the Alaskan Mental Health Bill.

"Vienna has been carefully maintained as the home of psychopolitics, since it was the home of psychoanalysis." (From the Russian Text-book on Psychopolitics).

It is the boast of the Communists that psychotherapy in America is already thoroughly duped and practically taken over by Psychopolitical Viennese-born foreigners in this country.

## DURING THE WAR 1942

Major George Racey Jordan had the job of expediting Lend-Lease to Russia shipped via Alaska. As he checked the shipping documents he gained detailed knowledge of what was going on. He kept a diary.

On one occasion the Russian General acted so suspicious that Major Jordan decided to make a careful check of "personal" diplomatic luggage to the amount of fifty suitcases weighing two tons.

He found detailed accounts of Engineering and scientific information marked "from Sayre", "from Hiss". One NOTE ON WHITE HOUSE STATIONERY said "... had a hell of a time getting these

away from Groves". (Major General Leslie R. Groves, Commander of the Manhattan Project—our atomic bomb!) Signature was H. H. (Harry Hopkins). There was also a map of the Oak Ridge Manhattan Project, so labeled.

Major Jordan's information received the cold shoulder at the White House. He was told that people who were too curious got sent to some remote Pacific Command.

**NOTHING HAPPENED!** Bohlen handled this. Bohlen, former Ambassador to Russia, Zionist tool, is now strangely envoy in the Far East at a time when that whole area threatens a third world war. (News Week August 26th, 1957—"We Go Down In Asia Again")

The following is an excerpt of a report delivered by the Netherlands Minister at Petrograd on the 6th of September, 1918, on the situation in Russia. The Netherlands Minister was acting for the British Ambassador and the report was presented to Parliament in London....

"The foregoing report will indicate the extremely critical nature of the present situation. The danger is now so great that I feel it is my duty to call the attention of the British and all other Governments to the fact that if an end is not put to Bolshevism in Russia at once **the civilization of the world will be threatened.** This is not an exaggeration, but a sober matter of fact; and the most unusual action of German and Austrian consuls-general, before referred to, in joining in protest of neutral legations appears to indicate that the danger is also being realized in German and Austrian quarters. **I consider that the immediate suppression of Bolshevism is the greatest issue now before the world, not even excluding the war which is still raging, and unless, as above stated, Bolshevism is nipped in the bud immediately, it is bound to spread in one form or another over Europe and the whole world, as it is organized and worked by Jews who have no nationality, and whose one object is to destroy for their own ends the existing order of things.** The only manner in which this danger could be averted would be collective action on the part of all Powers.

"I am also of opinion that no support whatever should be given to any other Socialistic party in Russia, least of all to social revolutionaries whose policy it is at the moment to overthrow the Bolsheviks, but whose aims in reality are the same, viz., to establish proletarian rule through the world. Social revolutionaries will never fight any foreign Power, and any profession which they may now make in this sense is merely a tactical move in their struggle with the Bolsheviks."

## THE RUSSIAN REVOLUTION

### Who and How

Communism is an integral part of The Great Conspiracy of the Zionist Internationalists for the enslavement of the entire world.

### IN 1917

Lenin (Ulianov, a half Jew) in Switzerland entertained strange visitors in his hideaway: Colonel House (tool for duping Woodrow Wilson, the professor in an Ivory Tower) was one. House was Jacob Schiff's special messenger boy to assure the Marxists of ample funds for this project, planned and arranged by the Zionist "Invisible Government of the World". Other visitors to Lenin were: Litvinoff (Finkelstein), Kaganovitch and Molotov—Stalin (Dzugashveli) and his group.

### Meanwhile

At Trotsky's (Bronstein, a Jew) "headquarters" in New York gatherings of hard faced characters collected. Trotsky made frequent furtive visits to Jacob Schiff's palatial mansion in New York as the financing of this Revolution was planned and arranged.

Then all of a sudden Trotsky and 276 Zionist Jews from the East Side of New York were on the high seas in a ship

Dear Member:

This is an emergency letter.

Since the start of the Korean war, there has been an unprecedented outburst of anti-Semitic and racist agitation all over the country.

This propaganda -- which is very heavily financed -- ranges all the way from openly provocative headlines in the CHICAGO TRIBUNE to lurid pamphlets called The Jews Have Got the Atom Bomb.

For example: THE BROOM -- West Coast weekly once indicted for war-time sedition -- has just appeared with this full page headline: Prospective Draftee Confused on Jew Problem, Asks For Advice.

This dangerous agitation is already so far advanced as to have become a subject of official concern by the Congressional Committee Investigating Propaganda and Lobbying Activities in Washington.

Gerald L.K. Smith, ring-leader of these trouble-makers, is holding meetings all over the country, stirring up the public to blame the Korean war on "Jewish influences". Taking advantage of press hysteria aroused by the "atom spy" exposures, Smith is pushing a particularly scurrilous pamphlet called Is Communism Jewish?

The same line is reflected by anti-Semitic and former Bundist trouble-makers all over the country.

Behind much of this propaganda is money supplied by the Texas multi-millionaire, George W. Armstrong. This is the man who last year tried

to finance a "hate college" with a \$50,000,000 endowment -- a huge plot successfully exposed and stopped by the Anti-Nazi League. Armstrong's new book The Zionists argues in effect that the words "Jew", "Communist" and "Zionist" all mean about the same thing.

COMMON SENSE, the bi-weekly published in New Jersey with financial support from Armstrong and similar propagandists, says: "The Zionists... have given word for the outbreak of hostilities in Korea... They are working with the enemy and will retard shipment of supplies and help the Communist forces in any way possible..."

Much of the German language press has taken a similarly bad position. For example, the Chicago Burgerzeitung devoted half of its front page to a reprint of the notorious letter sent by Herman Goering to Winston Churchill just before Goering's suicide, in which Goering insolently declares that future history will show that England and America were wrong in not having supported Hitler instead of fighting against him!

Another example is WOMEN'S VOICE, the Chicago organ of the isolationist "mothers" clubs, which says: "Bring home our boys in Korea... This war is a Jewish conspiracy."

In short, if the Korean war is not to be followed by an unprecedented flood of anti-Semitism and other dangerous agitation, we must have the means to expose and stop these evil propagandists now. The need for the League's work is more urgent to-day than any time since Hitler started his pogroms.

Whenever the League has had the money necessary to carry through an investigation to the point to securing public exposes and court action, we have succeeded. With your help, we will be able to deal with these merchants of evil in the same effective way that we dealt with Fritz Kuhn, The Columbians, or Joseph Kamp (now serving a sentence in prison).

You have long been a regular supporter of the Anti-Nazi League -- and because of the crisis which we now face in connection with this acutely dangerous situation, I appeal to you to send in an additional emergency contribution -- over and above anything you may have already contributed or plan to contribute this year. May we have your reply by the next mail?

Yours for a better America,

  
JAMES H. SHELDON

## Segregationists To Bar Newsmen

Pine Bluff, May 11 (AP).—News reporters will not be allowed at future meetings of the segregationist Pine Bluff Citizens Council.

The Council voted to bar the press at a meeting last night. Thirteen persons favored the motion, one voted against it and 10 refrained from voting.

Fred Middleton, a reporter for the Pine Bluff Commercial, was asked to leave.

There was considerable criticism of newspapers and specifically of the Commercial during a pre-vote discussion.

The Commercial declined comment.

Neither of the first two leaders listed above have been subjects of Bureau cases, but [redacted] was a suspect in the attempted bombing of Philander-Smith College in July, 1960, and the actual bombing of a school board warehouse in Little Rock the same night, Little Rock files 157-99 and 157-100, Bureau files 157-242 and 157-244.

These three have been leaders in the CCC since a period before the integration trouble in Little Rock in 1957 and at present they run the organization completely, even though there are other officers. They determine policy and programs.

and [redacted] It is possible that any one or all of these three individuals might engage in violence. Based on information furnished by informants and on its own history, it appears the CCC might encourage an individual or groups to engage in violence. integration trouble.

There have been no efforts on the part of Hate or Klan groups in Little Rock to infiltrate the CCC. There have been many instances of individuals holding membership in the CCC and at the same time holding membership in a Klan group and/or the National States Rights Party. There is only one active klan group in Little Rock and its leaders, along with the leader of the National States Rights Party, claim CCC leaders are mercenary and will have nothing to do with the CCC.

B. JCC

This organization has never given any indication as having any potential for violence, and it is especially true at present as there is no actual active membership. The leader is an active member of the Association of Arkansas Klans of the Ku Klux Klan and is carried as a potential bombing suspect of the Little Rock Office only because he is a leader in the Klan organization.

There has been no indication, even when this organization was active, that there were any efforts made by any Klan or Hate group to infiltrate the organization.

RE: TRI-STATES CITIZENS COUNCIL  
TEXARKANA, U.S.A.  
RACIAL MATTERS

There was a total of about 36 individuals present. Several men and their wives were together.

Dr. EVANS talked of the success of the Citizens Council in Alabama in thwarting the efforts of MARTIN LUTHER KING in registering Negro voters. He claimed 2,000 council members attended one such meeting. He referred to KING as the most powerful of the Negro leaders and said he got what he wanted from the National Administration. He mentioned the indictments against persons in Mississippi being recently dismissed by a Federal Judge and said the bodies of the three civil rights workers found near Philadelphia, Mississippi, could have been planted there by the U. S. Government. He claimed some evidence the three bodies had previously been in some morgue prior to the time they were found in the earth.

EVANS played a tape of Alabama Governor GEORGE WALLACE's speech before a meeting of the Citizens Councils of America in Montgomery, Alabama, on January 15, 1965, when WALLACE talked of his successes in Wisconsin, Indiana, and Maryland. WALLACE said if they remained together, there was nothing the government could do about it, and they could win their goal of white supremacy. He praised the efforts of the council in trying to maintain this country the way it was formed based on states rights. He said CASTRO was treated better before the National Press Club than WALLACE was.

Drew County Citizens Council  
Mobilization Meeting,  
May 14, 1965, Monticello, Arkansas

The final edition of the Pine Bluff  
Commercial newspaper, Pine Bluff, Arkansas,  
May 12, 1965, set forth the following information  
in an article on page 1.

"Dateline Monticello, Arkansas.

Several thousands of Drew County resi-  
dents today received mimeographed letters inviting  
them to a 'mobilization meeting of the Drew County  
Citizens Council' at Ridgeway Hotel here at 8 p.m.  
Friday.

Under a 'Drew County Citizens Council'  
letterhead, the letters said:

'Dear Fellow Citizens . . . The need  
for mobilization is apparent. Race-mixers and  
left-wingers have decided to revolutionize to  
destroy our way of life.

'Under the false name of "civil rights"  
they have declared war on white property owners.  
They also threaten the safety of white women and  
children. They have gone too far already, but  
unless we organize, they will go much further.'

According to the letters, principal speakers at the mobilization meeting will be AMIS GUTHRIDGE, a segregationist lawyer from Little Rock, and MEDFORD EVANS of Jackson, Mississippi, an official of the Citizens Council of America.

The Drew County organization, the letters said, will be affiliated with the Citizens Council of America.

ARK  
The letters bore the printed signature of LEWIS FOX, a Monticello grocer."

On May 12, 1965, HARRY ALLISON, Chief of Police, Monticello, Arkansas, advised there has been no difficulty between the Negro and white people of Monticello and there has been good communication between the two groups. ALLISON stated he was completely unaware of the proposed mobilization meeting for the Drew County Citizens Council until he himself received one of the above mentioned letters on May 12, 1965. He said he had been in conversation with the manager of the ballroom at the Ridgeway Hotel, Monticello, Arkansas, and that the ballroom of the hotel was already engaged for Friday evening, May 14, 1965, by a local organization and that he was not aware of any facilities of the hotel other than the ballroom that would accommodate a large group.

Chief ALLISON stated that the Citizens Council has not been active or had an organization in Monticello, Arkansas, and the letter and news release came as a complete surprise to him.

He told of the difficulties of those governments in obtaining participation by the citizens and stated those governments were frequently not representative of the people because the people of the various countries frequently did not participate in the election of those governments. He claimed the same lessons could be applied to the racial situations in the Deep South of the United States.

Following the talk, [ ] and Council member [ ] Texarkana, Arkansas, who served as an usher, passed out forms to those present asking them to indicate on the form whether they were Council members and, if they were not, whether they wished to join. One unidentified individual, who claimed to be Public Relations Director for the Citizens' Council, remarked that the Council was the fastest growing organization of its kind in the United States and that its membership has doubled every month for the past six months.

There were no demonstrations either inside the meeting hall or outside the meeting hall, and this applies to the periods before the meeting, during the meeting, and after the meeting.
